Report of the Event

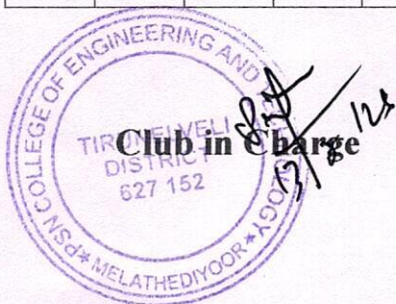

Date: 13-07-2026

The Swachh Bharat Club of PSN College of Engineering and Technology organized a Drug-Free and Clean Society Awareness Programme at Idaiyankulam with the objective of creating awareness among the local community about the harmful effects of drug and substance abuse. The programme aimed to encourage students and residents to adopt healthy habits and contribute towards building a safe and responsible society.

The programme was conducted with the participation of faculty members and student volunteers. The volunteers interacted with the local community and created awareness about the physical, mental, social, and economic consequences of drug abuse. They emphasized the importance of staying away from drugs, developing healthy lifestyles, and encouraging young people to make responsible choices.

The activity promoted social responsibility among students and encouraged the community to work towards creating a drug-free, healthy, and clean society. The programme supported the objectives of the Swachh Bharat Mission by promoting community awareness, responsible citizenship, and a healthy environment.
